1988

Die Jams in der Coupole wurden im Laufe des Jahres 1988 zum festen Bestandteil des europäischen HipHop Kalenders. Writer, B-Boys, DJs und Rapper von Marseille bis Kiel trafen sich immer regelmässiger im Gaskessel zum Stelldichein.

Die beiden Bieler DJs Shook und Steel gehörten bald zum festen Repertoire der Jams. Der Thuner Keys avancierte zum gern gesehenen Gast und einem der stilprägendsten DJs des Landes.

1988

Les Jams à la Coupole sont devenue indispensables du calendrier HipHop européen au courant de l'année 1988. Des writers, des b-boys, des djs et des rappeurs de Marseille jusqu'à Kiel se sont réunis de plus en plus régulièrement à la Coupole.

Les deux djs Biennois Shook et Steel ont fait partie intégrale des soirées à la Coupole. DJ Keys de Thun était régulièrement invité et devenait de suite l'un des djs les plus marquants du pays.
